

## Loving others

### The Command to Love Others: A Case Study (Luke 10:25-28)

Which others?

- Neighbor Lk. 10:25ff
- Enemies Matt. 5:44
- the Church (Jn. 13:35; 17:20-26; Gal. 6:10)

What does love look like?

- Good Samaritan (Luke 10:25ff)
- 1 Cor. 13

Take it a step further practically:

- What story would Jesus tell instead of the “Good Samaritan” today?
- Your Facebook friend just posted a toxically anti-Christian rant.
- What is one thing that would look different in the Church if we were giving attention to this?

This week:

- Prayerfully choose the category of Enemy, Neighbor, or Church
- Choose one act of love toward a specific person.
- Remain open to God providing you spontaneous opportunities as well, but purpose toward one specific action.
